

Carroll County Chamber News

NO Chamber Membership Meeting In July

*It's the Good Ole
Summer-
time!!*

School's out, the children are home, a time for vacations, cook-outs, water sports,

family reunions and if your lucky, sometimes... a little rest and relaxation.

Here's hoping that the month of July will be a fun filled relaxing time for you and your families.

The Chamber will not have a membership meeting in July. We hope to see everyone back again at our August 8th meeting. We will be gearing up for our Chamber Banquet on September 15th so make plans to join us.

Annual Scholarship Banquet Set for September 15th

The Carroll County Chamber of Commerce will host our

Annual Scholarship and Awards Banquet on September 15, 2005. Each year at our annual banquet we recognize members that have exhibited superior leadership or special accomplishments during the year. We encourage you to nominate businesses and individuals that you feel have made a positive difference in our community.

We are currently looking for nominations in the categories of :

Business Beautification

A business that has made the best effort to upgrade and beautify its store front, landscape, etc.

Industry/Large Business

A business employing 50 or more that has shown commitment to the community by involvement in the creation of jobs, capital investment and/or endowments.

Community Service Individual

Individual who has gone above the call of duty and job classification to see that Carroll County can be the best place to work and

live.

Small Business

A business employing 49 or less that has shown commitment to the community by involvement in the creation of jobs, capital investment and/or endowments.

Please call or write the Chamber office by August 8 or come to our Chamber Membership meeting on August 8 to cast your nominations in person.

For More Information call 732-7034.

2nd Annual FNB/ Chamber Golf Classic A Success

The day was June 8th and what a beautiful day for golfing it was.

The Carroll County Chamber of Commerce held it's 2nd Annual FNB/Chamber Golf Classic at Fairway Golf Course in Wheatley this year.

The day was filled with sunshine, a gentle breeze, a delicious meal and a fair amount of excitement. Unfortunately, no one won the Adecco Million Dollar Challenge or the Earl Floyd sponsored Ford

Mustang but for those of us watching and the five that made it to the finals it was and exciting "What If."

Diversified Asset Management was the 1st place winner this year and there was a tie for 2nd place between Kurt's Bunch and Gallatin Steel that had to be settled with a "chip off" and at the conclusion Gallatin Steel took 2nd place and Kurt's Bunch 3rd. Kurt's Bunch took home the prize for the Poker Run.

As with anything worthwhile it takes a lot of work to make these types of events a success. For those of you that gave of your time, THANK YOU for being there and keeping things running smoothly. To our Hole Sponsors, Naming Sponsor, Food and Drink Sponsors, Team Participants

and everyone who donated for the event, thank you for making the day a success. we appreciate your support.

The golf scramble represents the Chamber's primary fundraiser. The proceeds which not only allow the Chamber to maintain a highly visible and professional looking office space in downtown Carrollton, but it also supplements the Chambers programming activities. The Chamber could not offer events such as the "Influential Leader" if not for the generous contributions derived from our members. On behalf of the Carroll County Chamber of Commerce, Thank you for your support and for any suggestions that you might have as to how we can continue to serve the needs of area businesses.

Meth Lab Awareness Presentation To Be Held On July 28th

There will be a methamphetamine (meth) lab awareness presentation held at The United Pentecostal Church of Carrollton 2505

Highland Ave. on Thursday, July 28 at 7:00 p.m.

Clandestine methamphetamine (meth) manufacturing is one of

the most serious and dangerous of current drug issues being faced by law enforcement and the public.

Meth labs create hazardous conditions, including a strong risk of fire, explosive or toxic gases, as well as hazardous chemical waste.

Our community does not have to stand captive to the dangers of meth labs.

This presentation will help our citizens recognize the possibilities and awareness of a meth lab presence in our

Meth Labs create hazardous conditions, including a strong risk of fire, explosive or toxic gases

neighborhoods.

For more information call 502-732-7000.

Senior Event set for "Showboat's A Coming"

"Show boat's A Coming! Show-boat's A Coming!"

Senior Citizens, Come One Come All! The Carroll County Senior Event is set for August 25th, 5:00 P.M. at Point Park. Take a step back in time as we re-

visit the days of the "Showboat."

The planned evening events will include a delicious meal of fish, corn-bread, green beans/potatoes, corn fritters, ambrosia salad and chocolate cake.

There will be prizes given for "the best hat" decorating contest. Of course the evening would not be complete without a barber shop quartet, banjo player and calliope

L-E-A-R-N Program Offers Educational Entertainment for Children of Ghent and Worthville

"If only to see things through the eyes of a child" Do you remember how exciting it was to see live performances as a child?

The Rainbow Show Puppets visited the Children of Worthville and The Space Painter performed for the children of Ghent as a part of the LEARN Program.

One focus of the program is to reach children in our community that may not have the opportunity to visit our main library in the summer. Mike Hemmelgarn, juggler, ventriloquist will visit the children of Sanders on July 11th.
