Chamber Membership Meeting September 13, 2004

Where did the summer go? Here's hoping that everyone made time to have some fun and relax a

little before getting back into the fall routines.

The Carroll County Chamber of Commerce will have its monthly membership meeting September 13th, General Butler State Resort Park at 12:00 noon.

There will be a brief presentation from the

Alzheimer's Association. They will be having their "Memory Walk" on September 18th.

Make plans to join in on some networking time before things start to get busy with the holiday season. It will be here before you know it.

**Congratulations!!
Jim Fothergill
2004 Raymond Ray
Community Service
Award Recipient**

The Carroll County Chamber of Commerce honored Jim Fothergill as the recipient of the Raymond Ray Community Service Award at the Annual Chamber Banquet. For everyone that knows Jim Fothergill it comes as no surprise for there is no one more deserving. Jim is a lifelong resident of Carroll County and his love for the community drives him in all that he does.

After returning to Carroll County in the early 1950's from a stint in the United States Air Force, Jim established Fothergill Real Estate and began his community service. He has been in business for over 50 years. Jim has been active in the Carroll Co. Chamber of Commerce, Kiwanis Club, Carrollton Urban Forestry, Carrollton Design & Review Board and Car-

rollton Christian Church. He has served on City Council and played a vital role in the shaping of Carroll County with his involvement in the Carroll Co. Community Development Corporation. He adds beauty to the lives that he touches with his camera and remains steadfast to make Carroll County the best that it can be.

Carroll Co. Chamber of Commerce Now Resides At 511 Highland Avenue

There's a saying "Good Things Come To Those Who Wait" and after a long summer project filled with lots of hammer & nails, drywall dust, the smell of fresh paint and new carpet the Carroll County Chamber of Commerce & Community Development Corporation has a new home that is worthy of the wait. The Chamber now has a storefront office on the main street through Carrollton. It is the Chamber's goal to be more visible and ac-

cessible to provide our membership with better quality services. The Board has been planning future initiatives that will aid in seeing that this becomes a reality.

On behalf of the Chamber of Commerce I would like to say THANK YOU to Craig's Do-It-Center, Ruth Baxter, Dennis Raisor, David Mefford, Jim Fothergill and Malcolm Carraco who donated supplies.

A special Thank You to Lonnie Crutcher for giving the numerous hours spent putting the supplies to work to make this move happen. The office turned out beautiful and will represent our Chamber businesses well.

Their will be an "Open House" on September 30th, 4:00 p.m.—6:00 p.m. Stop in and celebrate with us!

Chamber Scholarship Banquet

The Carroll County Chamber of Commerce held its annual Scholarship Banquet on August 10th. The Chamber raises money each year at the banquet with a silent auction to sponsor the scholarships. This is a way to give to our future business leaders and not take anything away from the dues that support our current Chamber members. The silent auction raised \$2,100 dollars this year to be given in scholarships for the graduating class of 2005.

The theme for the banquet was "A Tribute to Achievement" and who more fitting to be the guest speaker than Tori Murden McClure, the first American woman to row solo across an ocean. Education is a big part of her life as she is the Vice-

President of Spalding College. Tori shared bits and pieces of her life's adventures from climbing Lewis Nunatuk, skiing to the South Pole and rowing solo across the Atlantic Ocean. She donated a signed oar that she constructs herself to the silent auction. Tori continues to be an inspiration to all ages. Thank You to everyone who donated items, helped plan, decorate and gave of their time to ensure that the night was a success!
